## About Brooklyn Roots

On ezcater.com since 04/13/2017

Like the roots of a great oak tree that branch out into the earth, our menu branches off as if to represent the soul of Brooklyn: a little Italian here, some Caribbean there, a touch of Mexican in between. You're sure to find something that will ground you in the way home-style food is meant to, making you feel at home in the Borough of Trees.

## About Gnocchi Italian Restaurant

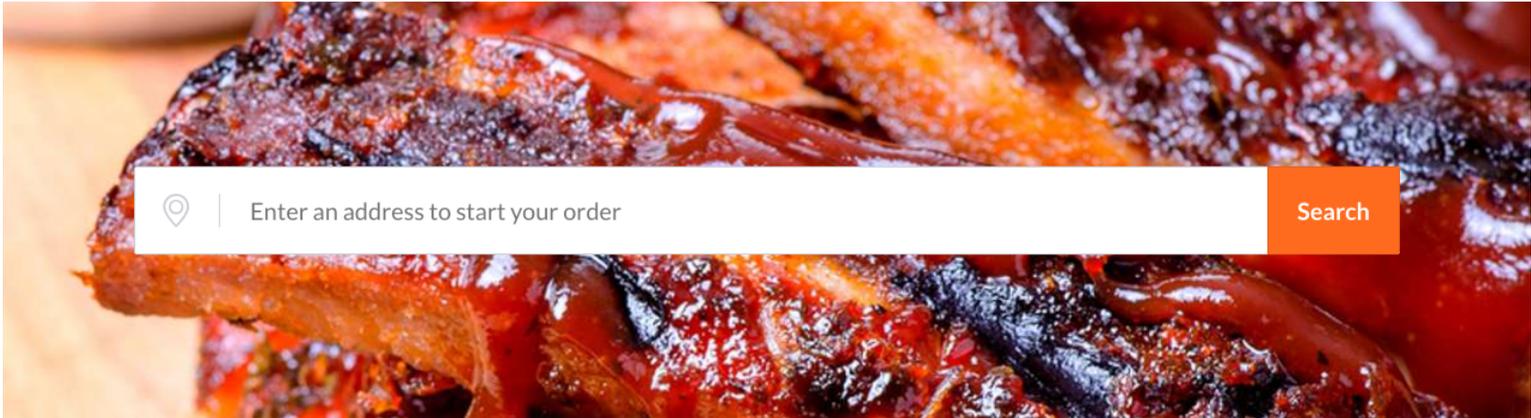

On ezcater.com since 05/09/2017

Say it with us: nyo-kee. You'll want to practice saying that now, before your mouth is full of homemade pillowy ricotta dumplings. We hand roll our gnocchi, giving them little ridges to hold the perfect amount of sauce. With so many gnocchi and fresh pastas to choose from, you hold the key to a delightful Italian meal.
